Returning to Tzofim!

Another activity year is opening soon and the registration is well on the go!

If you are new to Tzofim or a returning member, here's a reminder to why Tzofim is so amazing:

10 Reasons to being part of our amazing family:

1. **Making friends** with a similar identity to me. Some of our members have been in the same group since year 2 and this is not only for the kids but for us parents as well!
2. We get to practice our Hebrew, **Ivrit!**
3. Learning and experiencing **true life values**. Our slogan "Be Prepared" is not just that, a slogan, it is real. We live by it in everything we do. Some of these values include: democracy, inclusiveness, friendship, sustainability and many more.
4. Learning and experiencing **Israeli Culture**. The songs, the food, the slang, the way we celebrate and commemorate and much much more.
5. **Hadracha & leadership** is at the core of everything we do. We are a youth movement and we are passionate about letting our youth lead the way!
6. At Tzofim **everyone has a role**. From small group roles in the younger group ages to our leaders groups (Y11-

7. **Scouting and the experiencing the outdoors.** We are not afraid of the British weather... We spend time outside on every activity, we also go on tiyl (hikes), machane (camp) and we get to sleep under the stars, light bonfires and eat marshmallows on a stick.
8. Being part of something truly **different and unique.** Not many other activities our kids take part allow them to be independent, speak up their opinion, have a voice. Being part of Tzofim also means being part of something bigger – there are 26 Tzofim's chapters in the US, 6 chapters in Europe and over 230 chapter in Israel – **WE ARE ONE BIG FAMILY!**
9. An **Israeli summer** with Tzofim is something we are very proud of. Tzofim Tzabar offers several opportunities for our children to experience an Israeli summer not with us or family but with friends from all over the world and Israel.
10. Being part of a **community** for the whole family. During the year, along the side the regular and special activity we have planned activities for the whole family and even for the parents only.

Being part of Tzofim is fun, Cool and meaningful for all!
